BIO

Tyler Alexis is a Los Angeles singer/songwriter (and now streamer) hoping to inspire others to discover their inner strength and stand tall in the face of adversity.

She derives her music from a variety of influences, focusing primarily on a fusion of indie, alternative rock, and pop styles. (Think Alanis Morissette meets a spunky Michelle Branch). She has enjoyed the opportunity to collaborate and perform with artists around the globe, and she is currently celebrating the launch of her much anticipated virtual music experience.

ALL I WANNA DO
IS VIBE WITH YOU

A photograph of a sunset over the ocean. The sky is filled with soft, colorful clouds in shades of orange, pink, and purple. The sun is low on the horizon, creating a bright glow. In the foreground, there are dark, jagged rocks. A surfboard with a rainbow-colored tail is lying on one of the rocks. The water is calm with gentle waves. The entire scene is framed by a white border, suggesting a Polaroid print.
